

ORLEN Oil Sp. z o.o.
Opolska 100
31-323 Krakow
POLAND

Our ref. 350/21.10.2014

REFERENCES

We are pleased to inform that our company – ArcelorMittal Tubular Products SRL Galati - has been using products manufactured by **ORLEN Oil Sp. z o.o.**, headquartered at Opolska 100, 31-323, Krakow, Poland. The main products produced by ORLEN Oil Sp. z o.o., supplied to ArcelorMittal Tubular Products SRL GALATI through ORLEN Lubricants Romanian Distributor – Lubricants Distribution SRL Bucuresti are:

- ORLEN Hydrol L-HM/HLP 46
- ORLEN Transol CLP 680
- ORLEN Hipol GL-4 80W90
- ORLEN Liten EP2
- ORLEN Liten LC EP 2

The above mentioned lubricants fully meet our strict requirements, having excellent behaviour in use during the time.

In operation these products show high stability of both their physical and chemical as well as operating parameters which help to ensure long life for the machines and equipment.

Therefore, we are fully satisfied with the lubricants of ORLEN Oil and we'll recommend these oils to other companies.

Sincerely,

Tirdea Vasilica
